## MOUNT WAVERLEY PRIMARY SCHOOL

### Enrolment Policy

#### RATIONALE

This policy sets out the requirements for entry into Mount Waverley Primary School in accordance with the Enrolment in Victorian Government Schools Guidelines. This includes admissions, enrolments, the placement of students and transfers between schools.

#### PURPOSE

To provide guidelines for student enrolment at Mount Waverley Primary School to ensure all students residing in the school neighbourhood area are catered for, given the current DET enrolment ceiling of 800 students.

#### POLICY GUIDELINES

1. School is compulsory for children and young people aged from 6-17 years, unless an exemption from enrolment has been granted by a Regional Director. Children who are Australian citizens or permanent residents are entitled to be enrolled in a government school. They are guaranteed a place in their neighbourhood school and may choose any other school in which space is available, unless there is a restricted enrolment or designated zone
2. International students are enrolled if they have a Visa subclass number which allows direct enrolment in a government school and if they reside in the neighbourhood zone. However, if the visa type is classified as Overseas Fees Payable by the DE&T International Unit (IU), enrolment will be at the discretion of the Principal, taking into account current student enrolments at that particular year level and resources required to support the student
3. Students may enter primary school at the beginning of the year that they turn 5 if their birthday falls before the 30 April. Students are not legally obliged to attend school until they turn 6 years of age
4. The MWPS enrolment policy reflects the *priority order of placement* clause in the DE&T *Placement Policy* of the School Policy & Advisory Guide:-  
'Where there is insufficient accommodation at a school for all students who seek entry, students are enrolled in the following priority order':
  - students for whom the school is the designated neighbourhood government school
  - students with a sibling at the same permanent residence who are attending the school at the same time
  - students in order of closeness of their permanent residence to the school.
5. In exceptional circumstances, and at the discretion of the Principal, students may be enrolled on compassionate grounds

6. MWPS has a restricted enrolment policy endorsed by DE&T due to the limited size of the school grounds. This is currently referred to as a school ceiling
7. All primary age students residing in the designated neighbourhood zone are guaranteed entry once satisfactory proof of address has been provided

#### **DEFINITIONS**

**Designated neighbourhood school** is the government school that is nearest the student's permanent residence (measured in a straight line), unless the Regional Director needs to restrict new enrolments at a school due to pressure on enrolment capacity; and therefore has designated a neighbourhood zone for the school.

**Designated neighbourhood zone** is the geographic area served by a government school after the Regional Director has approved a change to the enrolment boundary due to pressure on enrolment capacity.

**Restricted enrolment** means preference is given to neighbourhood area families due to enrolment demands from within the neighbourhood area. Those living outside the area may only be admitted if the Principal deems there is a place available, after taking into consideration the demands from within the neighbourhood area.

**Residing in the school neighbourhood area** is defined as owning and residing in or having a sole occupancy rental contract of at least twelve months duration and residing in a property within the school neighbourhood area, which is also the student's permanent residential address.

**Permanent residential address** will be deemed the primary property (owned/mortgaged) or a leased property within the MWPS neighbourhood area.

1. Staying with a relative or friend does not qualify as 'permanent' residency
2. Proof of residency is to be produced when claiming an 'in neighbourhood place' and must be determined before the enrolment process can begin
3. Proof of residency documents include, contract of sale or a minimum leasing arrangement (both of which must be under the parent's name) of 12 months and must be through a REIV approved lease and must be concurrent to the year of enrolment
4. School tours are conducted by the Principal or Assistant Principals during Semester 1. Tours may be conducted in Semester 2 upon request.

  14. students outside the neighbourhood area in order according to geographic closeness to the school
15. The Principal may decide to enrol a student on compassionate grounds where there are significant individual or family circumstances.

#### **OVERSEAS ENROLMENT**

1. Some overseas enrolments are completed by MWPS while others are completed by the International Unit (IU) and these are full fee paying students
2. Enrolment is dependent on the correct Visa subclass. Visa subclass numbers are checked to enable that the visa is at least 12 months or covers the duration of the school year prior to any offer being made. The main visa number for direct entry to MWPS is 457 (Business Long Stay)
3. Overseas residents must inform the school of their visa number for their children prior to any enrolment. If the visa number is deemed in the class of international students, parents will be referred to the DE&T IU for placement in a school
4. Entry criteria, in terms of neighbourhood area applies if a visa number allows direct enrolment with the school
5. Students must not be enrolled in any other school (proof may be required) and students are not accepted for holiday periods when visiting Australia

6. The year level at which the student is enrolled is the decision of the school in consultation with the parents
7. If families state permanent residency then this will need to be proven. A copy of passport/visa/residency certificate is required
8. International students who do not have the correct visa are referred to the IU for placement. They will be subject to full fees which need to be confirmed with the IU and may not enrol directly into school
9. An international student living in the MWPS neighbourhood area is only admitted following a request from the DE&T IU and at the discretion of the Principal taking into account size of classes, timing of enrolment and resources required to support the student
10. If the child has no English the school may refer them to attend the Springvale or Blackburn English Language School, for either one or two terms before commencing at MWPS
11. Information regarding the enrolment of overseas students can be obtained from the International Unit (03) 9637 2202.

### **TRANSFERS**

1. Where students seek transfer to MWPS beyond the initial Foundation intake, a place is guaranteed if they reside in the neighbourhood area. Where a student resides outside this area a place will be offered if available. Such a request will be treated on a case by case basis by the Principal
2. If a student is enrolled in another government school other than MWPS and lives in the MWPS neighbourhood area, but wishes to change schools during a school year, the Principal will negotiate a start date
3. If a student moves into the area from another government school during the year they will be enrolled if they can prove that there has been a change of address and that they now reside at the new address in the MWPS neighbourhood area. Proof will be required
4. Students will be allocated to classes in consideration of the class size and student needs
5. If the student seeking an enrolment transfer during the year is from a non-government school parents will need to meet with the Principal or Assistant Principal to:
  - discuss the circumstances of the transfer
  - discuss any academic or behavioural matters and
  - seek a transfer note from existing school.
6. The Principal has the authority to defer admission for a reasonable period of time in order that enquiries of the previous school are carried out in the interests of the student.

### **EARLY ENROLMENT**
