PURPOSE

The Mount Waverley Primary School Child Safety and Wellbeing Policy demonstrates our school's commitment to creating and maintaining a child safe and child-friendly organisation, where children and young people are safe and feel safe.

This policy provides an overview of our school's approach to implementing [Ministerial Order 1359](#) (PDF, 363KB) which sets out how the Victorian Child Safe Standards apply in school environments.

It informs our school community of everyone's obligations to act safely and appropriately towards children and guides our processes and practices for the safety and wellbeing of students across all areas of our work.

STUDENT IMPACT STATEMENT: The Child Safety and Wellbeing Policy at Mount Waverley Primary School ensures that all students, regardless of gender, race, culture, or beliefs, feel welcomed, safe, and valued. It helps us understand what is right and wrong, fostering better morals and respect for others. This policy also prioritises our safety online, giving us the guidance we need to use the internet responsibly and securely. By supporting equality and creating a safe environment, this policy makes our school a better place for everyone.

STATEMENT OF COMMITMENT TO CHILD SAFETY AND CHILD SAFETY PRINCIPLES

Mount Waverley Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

ROLES AND RESPONSIBILITIES

School leadership team

Our school leadership team (comprising the principal, assistant principals and learning specialists) is responsible for ensuring that a strong child safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

School Staff and Volunteers

All staff and volunteers will:

- act in accordance with our Child Safety Code of Conduct [Child Safety Code of Conduct](#)

Specific Staff Child Safety Responsibilities

Mount Waverley Primary School has nominated a child safety champion, Wellbeing Assistant Principal, to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the child safety champion are outlined at [Guidance for child safety champions](#).

Our Wellbeing Assistant Principal is the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

Anyone in our school community should approach our Wellbeing Assistant Principal if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy.

Our school has also established a Child Safety and Wellbeing Team (Respectful Relationships Team Member Responsibility) and a Student Wellbeing Action Team for child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Wellbeing Action Team provides an opportunity for students to provide input into school strategies and review policies.

Our Principal Class Team monitors the Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

- The Child Safety Code of Conduct [Child Safety Code of Conduct](#) also includes processes to report inappropriate behaviour.

MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Mount Waverley Primary School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and meetings with a Welcome to Country or an Acknowledgement of Country as a standing agenda item. Use this as an opportunity to pause and reflect or open a discussion.
- Fly the Aboriginal and Torres Strait Islander flags on school grounds.
- Display plaques and signs to Acknowledge Country and Traditional Owners.
- Make Aboriginal voice part of decision making in matters that affect Aboriginal students. Be open to different ways of doing and expressing things.
- Celebrate the local Aboriginal community in communications with students, staff, volunteers and families. Share information through school newsletters, school assemblies, parent information nights.
- Lead on safety and inclusion for all Aboriginal students and their families. Learn more about Aboriginal histories and cultures, both locally and across Australia. Speak with respect and confidence about Aboriginal culture, knowledge systems and people.
- Build schoolwide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes.
- Use [Koorie Engagement Support Officers](#) (KESOs) to provide advice to government schools about creating culturally inclusive learning environments.
- Express zero tolerance of racism in your statement of commitment to child safety included in your Child Safety and Wellbeing Policy and other documents.

- Address racism from students, staff, volunteers or visitors directly. Make sure racist speech or actions are always dealt with, and the culture of the school works to prevent incidents from occurring.
- Put school leaders at the front of anti-racist action. Discuss racism and work to address unconscious bias and racism in the school community.
- Encourage non-Aboriginal school leaders and teachers to commit to ways they can work as an effective ally to Aboriginal students, their families and communities.
- Train staff and volunteers to understand the importance of Aboriginal culture to the wellbeing and safety of Aboriginal students.
- Work with the local Aboriginal community to build staff, volunteer and student knowledge and respect for Aboriginal culture and to promote cultural inclusion.
- Arrange Community Understanding Safety Training (CUST) or equivalent for staff.
- Include Aboriginal history and culture in professional learning for staff and volunteers and in curriculum planning for students.
- Recognise key events and anniversaries such as; Harmony Day, Reconciliation Week, NAIDOC week and others.

STUDENT EMPOWERMENT

To support child safety and wellbeing at Mount Waverley Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, The Resilience Project, our Classroom Code of Conduct, School Values and Making Great Choices Together Behaviour Matrix.

We inform students of their rights through our whole school approach to Respectful Relationships, Classroom Code of Conduct and School Values and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns on our school website or on posters displayed at the school front office.

We have developed the following strategies to promote student empowerment in our school community:

- inform students about all their rights, including their rights to safety, information and participation
- recognise the importance of friendships and encourage support from peers, to help students feel safe and be less isolated
- make sure staff and volunteers:
 - are attuned to [signs of harm](#)
 - facilitate child-friendly ways for students to express their views, participate in decision-making and raise their concerns
- to develop a culture that encourages participation and responds to what students say
- give students opportunities to participate, and respond to their contributions to strengthen confidence and engagement
- offer students access to sexual abuse prevention programs, information about online grooming and related information in an age-appropriate way.
- develop curriculum planning documents or other documentation that details how the school will address these requirements.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

FAMILY ENGAGEMENT

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Mount Waverley Primary School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Seeking input from families and the community through COMPASS, school website, newsletters, other communications, school council, sub-committees of school council, student, staff, and parent meetings.
- All of our child safety policies and procedures will be available for students and parents on our school website or at the school office.
- PROTECT Child Safety posters will be displayed across the school at the school office and in each classroom.
- Provide information to families about external child safety, sexual assault, family violence and online safety support services to support help-seeking and early intervention including SECASA, 1800RESPECT, Kids Helpline and Safe Steps.
- Conduct school open days or host community events, such as a school fete or fair, to welcome families and the broader community.
- Provide frequent opportunities for parents and carers to engage with staff to discuss their children's experiences at school.
- Organise interpreters and translations to engage families from non-English speaking backgrounds in conversations about the school's child safety strategies.

DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home or impacted by family violence
- international students
- children and young people who identify as LGBTIQ+.

Our Student Wellbeing and Engagement Policy [Student Wellbeing and Engagement Policy](#), Bullying Prevention Policy [Bullying Prevention Policy](#) and Inclusion and Diversity Policy [Inclusion and Diversity](#) provide more information about the measures we have in place to support diversity and equity.

- [Recruitment in Schools](#)
- [Suitability for Employment Checks](#)
- [School Council Employment](#)

- collect and record:
 - proof of the person's identity and any professional or other qualifications
 - the person's history of working with children
- references that address suitability for the job and working with children.

- [Performance and Development for Education Support Class Employees](#)

Inappropriate behaviour towards children and young people will be managed swiftly and in accordance with our school and department policies and our legal obligations. Child safety and wellbeing will be paramount.

All volunteers are required to comply with our Volunteers Policy [Volunteer Policy](#), which describes how we assess the suitability of prospective volunteers and outlines expectations in relation to child safety and wellbeing induction and training, and supervision and management.

CHILD SAFETY KNOWLEDGE, SKILLS AND AWARENESS

Ongoing training and education are essential to ensuring that staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

5. School council training and education

To ensure our school council is equipped with the knowledge required to make decisions in the best interests of student safety and wellbeing, and to identify and mitigate child safety and wellbeing risks in our school environment, the council is trained at least annually. Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse
- child safety and wellbeing risks in our school environment
- Mount Waverley Primary School child safety and wellbeing policies, procedures, codes and practices

COMPLAINTS AND REPORTING PROCESSES

Mount Waverley Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaints and Concerns Policy [Complaints and Concerns Policy](#)

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees and homestay providers) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures [Child Safety Responding and Reporting Policy](#). Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending
